## Durable Medical Equipment Exchange

## ...resulting in \$37,999.00 of equipment donated to the community

I chose to volunteer with MMC to be able to be immersed in a community of servitude and to be surrounded by a team with the same goal that would be able to teach me and help me grow.

"You all are incredible. Words will never be enough to express my gratitude towards this mission! We are beyond thankful as a family. We hope the donors continue to fund this mission in the future."

"...MMC has restored so much faith in my heart that there are genuinely loving and caring people. Thank you for everything you are...I hope you know how much you matter and make a difference in this world."

"Love the place and staff. They were wonderful to me and showed a lot of compassion."

"I can't tell you how much the Mission Medical Clinic has been a great blessing to me. The staff is great and a Godsend, they are always polite and caring and they know your name. They will pray with you and for you, nowhere else have they done that for me. The caring atmosphere is like no other. They need to be around for many more years, I need them as well as many others!"
